Encryption basics

Stephen Shaw

--

South Africa

Summary

I am a self-motivated and responsible individual with excellent
interpersonal and time management skills. I am currently pursuing a
Baccalaureus Scientiae in Information Technology at NWU, having
started in 2023.

I am proficient in Microsoft Office and several programming
languages including C++, C#, Java, and Python. I also hold
certifications in Cyber Security, Encryption Basics, and Cryptography
from Great Learning Academy. My work experience includes one
week at Print dot com in Carletonville.

Fluent in both Afrikaans and English, I describes myself as calm,
down-to-earth, and a seeker of information. I am a fast learner, able
to work in a team, and dedicated to problem-solving. Some of my
interests include social activities, reading, and playing tennis. My
career plan involves gaining experience in IT, making a name for
myself, and eventually owning an IT business

Experience

Print Dot Com
Office Helper
July 2023 - July 2023 (1 month)
Carletonville, Gauteng, South Africa

My duties included helping fix computers for customers and also learning
how the POS system worked as they also have a business aspect in selling
stationary and computer parts.
